

In re Appln. of: Mary Swaab  
Serial No.: 09/363,129

selecting at least one base from a plurality of lipstick bases offering a variety of textures and consistencies in accordance with the demand of the individual person;  
adding the mixed lipstick pigments to the at least one selected base;  
heating the pigments and base into a liquid form; and  
pouring the liquefied and mixed pigments and at least one base into a mold.

22. The method of claim 21 further comprising cooling the lipstick in the mold, and affixing the cooled lipstick to a lipstick case.

23. The method of claim 22 wherein the steps of measuring, selecting, adding, heating, pouring, cooling, and affixing are all done at the retail establishment.

24. The method of claim 23 further comprising repeating the selecting measuring and mixing steps until the desired shade of the individual person is accomplished according to the demand.
